

ACA Massachusetts Intergroup (IG #634)
Announcements

(These are sent out ~monthly, these are applicable until the next Intergroup meeting)
(Meetings are on the 3rd Saturday: 9/19, 10/17)

To: ACA Groups in Massachusetts
From: Intergroup Chairperson

Hello to all Intergroup Reps, Group Points of Contact, and Group Secretaries.

The idea of this Intergroup Announcement Memo is three-fold: to help your group know about what the Intergroup is doing to serve our member groups, and to provide your group with a vehicle to announce what your group is doing that may be of interest to the groups across the state (starting a new ACA group, group anniversary celebrations, workshops), and to engage the vision of people in your group that there is way more opportunity for service at the Intergroup level than just being an Intergroup Rep.

The idea is that I'll update it after our monthly phone call and send the new one out. Someone from your group could read it during the announcement portion of your meeting, if your group thinks it would be valuable.

NOTE: This explanation is for information only. The announcements are on the next page.

Wishing you and your group recovery and growth in the days ahead.

Bob M.
Intergroup Chairperson 2020
